

The Advantage

Get the Advantage over your competition

- Earn up to \$80,000 or more per year in added income and profits.
- Pays for itself in labor savings alone.
- Easy to operate; load, touch start, & unload.
- Low repair cost per disc.

The Advantage uses six micro-abrasive polishing heads, polishing compound, and water with our Water Recirculation Treatment to cool and lubricate the disc repair process.

Informs the operator when to add or change repair supplies, tracks important statistics and guides the user through the entire repair process.
