

# The Uno One Step Disc Repair Machine

**Simple**

**Fast**

**Low Cost per Disc**

**Simple to use**

Place a scratched disc onto the spinner, close the lid. Select the repair time (choose from 30,60,90,120,180 seconds), the machine shuts off automatically when complete, the finished disc is dry and clean ready to be packaged.

**FAST- Real Scratch Removal in 30 seconds**

Not just a cleaning cycle this machine repairs and cleans average scratched discs in single 30 second run. Need to repair Deeper Scratches? Simply choose a longer cycle. This is the machine you have been waiting for. All in one step FAST repairs.

**Auto Dry Technology**

A final finishing pad automatically dries and wipes the disc at the end of the repair process, eliminating the need to spray The Disc Before the final whipe.

Choose from 30,60,90,120,180 second time cycles

**Finally a Simple One Step Solution!**

Supply kits lasts up to 220 discs without the need to change or touch anything! Using our New **Auto Timed Liquid Abrasive Suspension Technology** a liquid abrasive (Policool 4.0™) is continuously mixed & recirculated to provide both the scratch removal & polishing action while also keeping each disc cool during the repair. Scratch removal and final polishing is now possible in one step.
